### **Finding Christ in the World A Twelve-Week Ignatian Retreat in Everyday Life**

***Finding Christ in the World*** is a prayer experience meant to invite you to see where and how God concretely breaks into your daily life-- where you are and how you are. This retreat begins in your desire to deepen your love of Jesus Christ. Many people have a sense that they want something more in their faith, but are not sure what this means. They have a desire for a clearer, perhaps deeper, relationship with God. They attend Mass, pray the prayers of the Church, participate in bible studies and faith formation groups, volunteer constantly, and give generously. However, they still don't feel God or know God in the way they want to know God.

#### ***The retreat moves through twelve themes for prayer.***

You pray each day with a given scripture passage. Brief notes help move you into prayer. Some days there are prompts to apply your prayer to daily living. You pray on your own daily and meet with a group once each week to share and explore your experience of the prayer. The group talks about the intersections of prayer and daily living. This ignatian retreat is twelve weeks in duration.
